

## Geocaching at Asbury Woods

### Most Current Option:

- Download the Geocaching app and Google Maps to your smart phone.
- If you do not already have one, create a free account on your Geocaching app.
- Use the Geocaching app to search for nearby geocaches. Click on the magnifying glass in the upper left corner of the map to search.
- Choose a geocache you would like to find and open the cache's page.
- Copy and paste the coordinates into Google Maps to navigate to the cache.

### Less Current Option:

- Use one of the sets of coordinates below to search for nearby geocaches. Type the coordinates into the search bar on Google Maps.

### Tips:

- Occasionally, caches become inactive, so the coordinates above may not always lead to a geocache. For the most up to date list of nearby geocaches, use your Geocaching app or go to [geocaching.com](https://www.geocaching.com).
- Sometimes, a geocache's owner will include hints to help you find a geocache on that cache's page. To see hints for a cache, find the cache's page on the Geocaching app or at [geocaching.com](https://www.geocaching.com).
- Most geocaches on Asbury Woods property are not owned by Asbury Woods. If you discover a cache needs maintenance, please contact the cache's owner using your Geocaching app or [geocaching.com](https://www.geocaching.com).
